BASIC AUDIO AND VIDEO KITS

# THE "PLUG-AND-PLAY" SOLUTION

- Easy installation via plug-in power connectors
- Direct connection between street panel and internal unit with one cable
- Additional internal units (max: 2)
- Door lock release key and intercom function

■ **Suitable for many countries thanks to 3 different plug standards:**

|	
	European (2 and 4 wires)
	German (4 wires only)
	New British (4 wires only)

2-WIRE "VERY SIMPLE" SOLUTIONS

One-family hands-free video kits comprising:
• a wall-mounting metal street panel (rainshield included) equipped with a colour camera and a LED lamp for the illumination of the field of view.
• a video colour display internal unit (plug-in power supply included).

MAIN FEATURES:

• Easy, simple and quick installation

• Practical and functional: hands-free solutions enabling dialogue while moving freely

• High-resistant, waterproof metal street panels

• 2 non-polarized wires for an error-proof connection
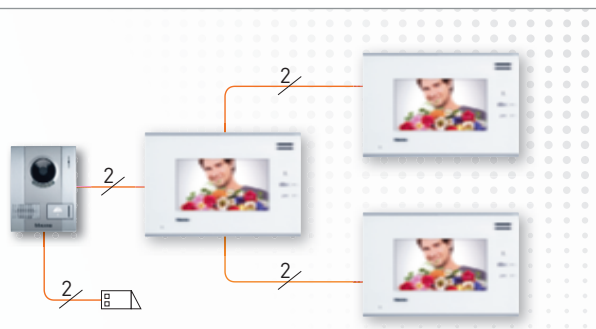

4-WIRE "COST-EFFICIENT" SOLUTIONS

One-family hands-free audio and video kits comprising:
• a wall-mounting metal street panel with LEDs for the illumination of the field of view
• a video colour display internal unit with integrated power supply (plug and cable supplied)
• a wall-mounting base (screws supplied)
MAIN FEATURES:

• Electrical door lock release function

• Plug&Play solution with plug-in power supply
