An individual touch for your projects

A tablet is positioned diagonally in the foreground, displaying a white screen with a large, faint, intricate mandala-like pattern in the background. The text 'ARTEOR™' is in a bold, sans-serif font, followed by 'exclusive' in a larger, elegant script font. Below this, the tagline 'An individual touch for your projects' is written in a smaller, simple font. In the bottom right corner of the screen, the Legrand logo is visible, consisting of a small square icon followed by the word 'legrand' in a bold, lowercase sans-serif font. The background of the entire image is a soft, out-of-focus bokeh of light blue and white circles, with some starburst effects. To the right of the tablet, a portion of a rolled-up white document or blueprint is visible, resting on a dark surface.
